PROFESSIONAL EXPERIENCE

Infinn (HKKR Finserv Pvt Ltd)

Chandigarh

- *Risk Management Intern* Jan 2026 – Present
 - Monitored live trading positions exceeding ₹100 Cr+ in notional value, covering ₹50 Cr+ daily turnover across multiple clients.
 - Assisted in real-time monitoring of client margins and exposure limits, ensuring strict compliance with exchange and risk norms.
 - Supported square-off execution for margin shortfalls and limit breaches, minimizing risk exposure.
 - Developed batch automation scripts to convert exchange files into RMS software-compatible input formats, improving operational efficiency and reducing manual processing time.

Karenpeach.com (by Mona Apparels)

Ludhiana, Punjab

- *Summer Intern* June – July 2025
 - Analyzed product performance by evaluating sales data, profit margins, and inventory turnover across transactions totaling over ₹14,00,000, identifying high- and low-performing items.
 - Contributed to strategic pricing adjustments by assessing cost structures and margin reports, improving overall product profitability and supporting sales growth within the ₹14L+ portfolio.

PROJECTS

Product Design, Cost Breakdown & Market Positioning Study

Jalandhar, Punjab

- *Product Development & Managerial Costing* September-October 2025
 - Built a comprehensive cost sheet for 1,000 units of Power Bank, calculating direct materials and labour, overhead allocation, and administrative & selling expenses.
 - Applied Target Costing to meet a selling price of ₹1,199 with a 33% profit margin, comparing actual vs. target cost.

Comparative Financial Reporting Study – Eternal (Zomato) vs Swiggy

Jalandhar, Punjab

- *Accounting Standards & Ind AS Compliance Analysis* July-August 2025
 - Examined financial statement preparation, fair-value measurement hierarchy, depreciation methods, useful lives, and treatment of PPE, intangible assets, inventories, and leases.
